PESTICIDE-FREE TERMITE MANAGEMENT FOR NEW HOME CONSTRUCTION

**60
YEAR
\$1,000,000
WARRANTY***

Industry First 60 Year Diamond Warranty*

TermShield is a proven termite exclusion system using the TS 1000 high grade stainless steel mesh (compliant to the new Australian Standards) for the protection of new buildings.

TermShield is CodeMark certified and backed by TermShield's Industry first 60 Year \$1,000,000 Diamond Warranty*.

**TS 1000
STAINLESS
STEEL**

- TermShield is manufactured from high grade, integrated, non penetrable, superior TS 1000 grade - stainless steel woven mesh (superior to standard 316) with our added manufacturing process to aid its effectiveness.

**100%
PESTICIDE
FREE**

- TermShield is 100% PESTICIDE FREE, requires minimal maintenance, requires no ongoing pesticide re-treatments, and will not corrode or rust in any environment. Especially as it is installed around slab penetrations and building perimeters providing effective, warranted protection for a minimum 60 years (*subject to warranty* conditions*). TermShield is integrated into the structure, around service pipes coming through the slab and cavity walls, where the meeting of slabs, footing and walls at ground level may provide access for termites.

**100%
AUSTRALIAN
OWNED
COMPANY**

- TermShield's Termite Management System protects your client's property long after you have finished. Now that's 'Peace of Mind' for everyone, and that's just good business.

**CODEMARK
APPROVED**

TermShield can be used in almost any building situation. Contact us to see how the TermShield Termite Management System can be adapted to your next project.

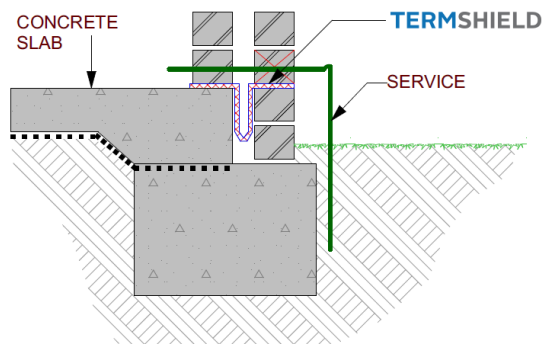

**PROVEN IN
AUSTRALIAN
CONDITIONS**

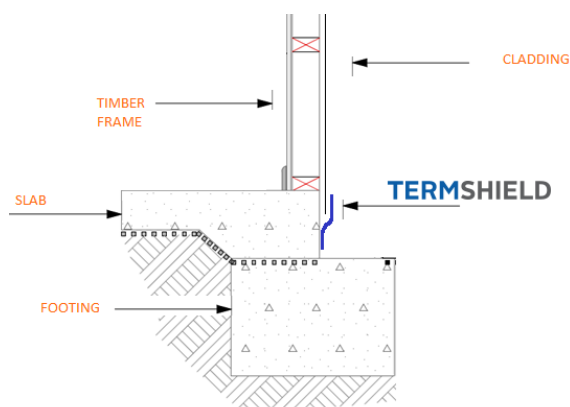

TermShield is CodeMark Certified. The CodeMark Scheme supports the use of new and innovative building products by providing a nationally and internationally accepted process for products to be assessed for compliance with the requirements of the building codes of Australia and New Zealand.

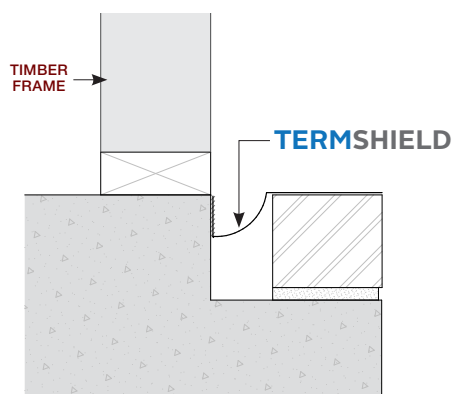

The scheme provides confidence and certainty to regulatory authorities and the market through the issue of a Certificate of Conformity.

DO YOU NEED AN APPLIANCE? DO YOU NEED A CAR?

TermShield warranty clients can share Diamond Rewards with their family members and friends, and builders can share Diamond Rewards with their staff.

This rewards program along with TermShield's No Nonsense Warranty gives builders and their clients a premium green, proven solution for the termite management of new structures.

Pesticide free builders and Architects will be recognised as the Green Specialist in their area - what a great story in your local paper, social media and website.

To help support the environment, TermShield will pay CarbonNeutral to plant a tree for each and every new home we protect, and even more for large commercial sites. All clients receive a verification certificate.

TermShield is committed to the awareness of prostate cancer early diagnosis and eventual cure. A percentage of every single job completed is donated to the Prostate Cancer Foundation of Australia.
